

CUMMINS® 4B/3.9L DIESEL ENGINE

Engine Overview

The 4B/3.9L Cummins is a popular engine used in step van applications including bread, snack, uniform and other commercial delivery vehicles. This engine is also used in various industrial and construction applications.

DSG utilizes torque plating methods for boring and honing to ensure block straightness, which reduces break-in time and crankcase pressure. In addition, DSG uses OEM or equivalent pistons, rings, bearings, valves and gaskets, making sure that this engine will stand the test of time.

To Place an Order

Before calling to request price and availability, please gather the following information:

- The original engine serial number
- The original engine CPL number.
- Application, year & horsepower for the engine being replaced

The CPL and serial numbers are located on the injection pump side of the engine on the front gear cover.

Dynamometer Testing

All of DSG's Complete Drop-in engines are 100% dyno tested prior to shipment. Computer controls ensure that each engine dyno test is conducted under standard, repeatable settings. Every engine is run through a warm up cycle; three separate cruise segments simulating light, medium and heavy throttle conditions; maximum torque and horsepower tests; both high and low idle tests; and a black light leak detection test with dyed oil, coolant and fuel.

4B Complete Drop-In

Long Block Supreme Includes

- Block
- Rods
- Crank Gear
- Piston Assemblies
- Head
- Rear Cover & Seal
- Oil Filter Assembly
- Water Pump
- Side Cover/Crankcase Breather
- Valve Train (lifters, push rods & rocker arms)
- Crankshaft
- Oil Pump
- Cam Gear
- Camshaft
- Front Gear Housing
- Oil Cooler
- Valve Cover (s)
- Gasket Set

Complete Drop-In Includes

- Lift Pump
- Low & High Pressure Lines
- Fuel Filter Assembly
- Turbocharger
- Intake Cover & Connection
- Thermostat Housing
- Oil Pickup Tube
- 4B/3.9L & 6B/5.9L comes with air crossover tube if required
- Injection Pump
- Injectors
- Damper Pulley
- Thermostat
- Exhaust Manifold
- Oil Pan
- Gear Cover & Seal

Warranty Coverage

On-Road Complete Drop-In Configurations

2 yr/unlimited mileage. 2nd year long block coverage only.

Off-Road Complete Drop-In Configurations

1 yr/2,000 hours.

Some restrictions apply, see limited warranty details or call for more information.
